## **Construction work to begin on the eastbound lane of US Highway 2 from Towner to Berwick**

Work will begin on Monday, June 27, on the eastbound lane of US Highway 2 from Towner to Berwick. The work will consist of maintenance and repair work to improve the ride quality of the roadway.

During construction:

- Eastbound traffic will be reduced to one lane in the work zone.
- The speed limit will be reduced to 40 mph
- Flaggers may be present in the work zone.

This project is expected to be complete by the end of September.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
